

Record Call

- Select the menu
- “My Dashboard”
- Select “Record Call”
- Read Disclaimer and click “Accept”
- Dial the number prompted
- Enter your account number and the number you’re trying to call

Record Call

- Accept the disclaimer
- Select “Call” to dial the call record line
- You will then enter your SpeakWrite Account and PIN
- It will then prompt you to enter the number you are trying to call.
- When the conversation is complete, just hang up and your job will be submitted for transcription
